Kingfisher Electric is municipally-owned, or owned by our community. Kingfisher Electric employees are your friends and neighbors; the Board of Directors is your City Council; and you, our residents, are our stockholders. Our profits support vital city services such as police, fire, streets, libraries and parks. Because of Kingfisher Electric's support, our community maintains a high quality of living. Plus, Kingfisher Electric provides outstanding reliability at the lowest rates in the area!

Kingfisher Electric's mission is to provide high quality electric services at a competitive price which gives citizen owners maximum long-term value on their investment. We strive to communicate actively and effectively with customers, responding to their needs in an honest, fair and caring manner.
