

Kingfisher Park

Take the kids on a train ride through the City of Kingfisher Park, past the Municipal Golf Course and almost to the front door of the Vernie Snow Aquatic Center.

Besides being located next to the Vernie Snow Aquatic Center and Kingfisher's 18-hole golf course, the City of Kingfisher Park offers family style picnic areas under shaded pavilions.

Standing barbeques offer the family chef the comfort of outdoor cooking while the kids enjoy the playgrounds, the train rides or even swimming.

Reservations for pavilions available at no charge

Train rental available.
